

INSTRUCTIONS FOR STUDENTS STUDYING OFF CAMPUS IN THE FALL

Messiah University Agape Center for Local and Global Engagement

Studying off campus next semester? Registration will work a bit differently for you. This instruction sheet will help you through the pre-departure paperwork and registration process. A few extra steps are outlined below:

1. Students studying abroad are required to attend the following pre-departure orientation session:

April 15, 2024, 2:00-3:00 p.m. - Off-Campus Programs Health & Safety Session- Boyer 131

2. Students studying off campus should complete an Off-Campus Study Course Approval Form

To determine whether the courses you take will meet General Education/QuEST (Gen Ed) or major requirements, complete

this form, which is available in Terra Dotta.

Remember that you must take at least 12 credits while studying off campus. When completing your form:

- Review possible course offerings.
- Check to see if they have already been evaluated to meet Messiah requirements by searching the [Course Equivalency Database](#). This can be accessed through FalconLink.

If these courses vary from the ones listed on your Off-Campus Study Course Approval Form, you should immediately email your academic advisor (for major requirements) or your advisor (for General Education/QuEST (Gen Ed) courses; to confirm the courses meet your curricular requirements.

- If you are studying abroad at an Oxford program, be sure you understand the content of this [document](#) and complete it.

3. Students studying off campus should participate in Messiah University registration
